CIA Appropriations - - Weekly Report # 8

1. Mr. Pforzheimer briefed Congressman Mahon, Chairman of the Armed Services Appropriations Subcommittee, regarding the appropriations for a CIA building contained in the Armed Services Public Works bill presently before Mahon's Subcommittee. Mr. Pforzheimer pointed out to Mr. Mahon the urgent needs for a building, together with cost figures and that Chairman Vinson and Chairman Russell of the House and Senate Armed Services Committees, for reasons of security, had handled the substantive matter before their committees themselves. Mr. Pforzheimer requested Congressman Mahon to do likewise if possible and he agreed that it would be preferable but that he would have to consider the problem at least overnight and will inform us if any additional appearance will be necessary.
